

Spring Acrostic Poems

Nellie

Sunflowers glow
People cheering
Running happily
Into no snow
Now we jump up and
Get ready to go!

Thaily

Spring is my favorite time of the year
Parents are proud of the students
Raining all day
I love spring
No one is mad
Good day at school

Petra

So
Pretty
Ready for summer
In the heat
Never sad
Great day

Raziya

Spring is here!
Peace and love
Rain is falling
In the air
Now it's time we pray some more.
Grace before meals, stations of the cross
and we pray for saint Joseph.

Rosa

Spring celebrates the
Passion of Jesus
Raising from the dead and
Incoming of
New birth and
Giving

Spring is here
People sing
Reading on rainy days
Is fun to me but maybe
Not to you
Giving thanks to the earth

Spring is here
Peace is inevitable
Rights have a word
Inevitability, beauty last to come
Never ever ending things don't disappear
God is within Spring and Spring is here.

Niylah

Spiderman is red
Probably blue too
Rolled down the hill
Into some glue
Nights are to sleep
Gardens produce food to eat.

Nobody is listening
Grrr I'm mad
