

## Refer a Family Incentive Program

Earn a discount on your family's  
Nazareth Elementary School tuition!

### What is the Refer a Family Incentive Program?

The Refer a Family Incentive Program has been established to increase enrollment in Nazareth Elementary School through the most effective and simple recruitment tool there is: parent-to-parent conversation.

### How does the Refer a Family Incentive Program work?

A current family convincingly shares the good news of Nazareth Elementary School with another family not already registered at Nazareth Elementary School. They invite the family to visit Nazareth and see for themselves.

If the new family registers their child(ren) and they are still attending in January, the referring family receives \$300 off their January tuition. If a family recruits two new families, they receive \$300 off their January tuition and \$100 off their February tuition. If a family recruits more than two new families, they receive \$300 off their January tuition, \$100 off their February, March, April, May, and June tuition PLUS the re-registration fee for the next school year will be waived.

### What are the restrictions?

- Only one family may receive credit for the new family registered.
- This form must be submitted to Nazareth Elementary School for authorization.
- The Refer a Family Incentive Program applies to Grades PK–6.

### How does one apply?

Complete the information below and return the form to the Business Office.

Please accept our thanks for your support of Nazareth Elementary School and for telling our story. We are counting on you to help Nazareth grow! May God continue to bless you abundantly!
