

March 17, 2020

Dear Parents and Guardians,

This is only day two of our closure, but it feels much longer. We miss your children already! It was great to connect with so many of you today, although briefly, as you stopped by for your child's books and materials.

For those unable to come today, we will have staff available tomorrow, Wednesday, March 18, between **8:30 and 10:30 a.m.** to greet you at the front door and direct you to your child's things. These are materials that are needed for their daily lessons over the coming weeks.

By tomorrow afternoon, you will be able to get your child's daily assignments on our website (www.nazarethschools.org). Under the Teacher Section, you can find the daily assignments posted on the teacher pages. These pages may link you to Google Classroom. Don't forget to check the Specials teachers' pages, too - Art, Music, Library, PE.

These lessons are daily assignments, so set up a daily routine for "school" to take place. Teachers will be taking "attendance," too. Sticking to a daily set of lessons will give the children some sense of normalcy.

As of now, our entire staff, including the offices, will be off the next two weeks beginning Thursday. I will write more tomorrow or Thursday. Keep checking for updates as time goes on. Thank you for your support.

Happy St. Patrick's Day!

Peace and prayers,
Sr. Margaret
