

September 2023

Dear Families,

Welcome to Fifth and Sixth Grade!!!!!! I am proud to be part of Nazareth Elementary School. My name is Mary Pioli. I have been in the Catholic school system for over 50 years and taught preschool through 8<sup>th</sup> grade. Intermediate grades have a special spot in my heart from my first teaching experience. I look forward to teaching children as much as I enjoy learning from them! My goal is to instill a love of education in my students because that is a major key in their future. I focus on 3 phases of character development: Kindness, Wisdom, and Respect. I will discuss their importance for their foundation.

My subjects are Religion 5, Social Studies 5 and 6, Science and 5 and 6. On this site I will share subject topics and valuable student links.

Please feel free to contact me with any concerns. I look forward to be of service to you and your family.

Peace and Prayers,

*Mary Pioli*
