ECP rates are the same for all ages.

- One child \$225/month; two or more children \$300/month.
- Acceptance is on a first-come, first-served basis.

- *There is no occasional ECP option.*

Tuition Assistance – Preschool

Tuition assistance for preschool is available through employers and income tax credits. Families with students in preschool only DO NOT qualify for tuition assistance offered by Nazareth Elementary School.

For more information about paying tuition on a pre-tax basis using a *Dependent Care Reimbursement Account*, contact your employer's benefits or human resources office. Dependent care expenses that are paid on an after-tax basis may qualify for *Federal Income Tax Credits*. Contact a financial advisor or tax professional for more information.

Tuition Assistance – Kindergarten to Grade 6

At Nazareth Elementary, we are committed to making tuition affordable for as many families as possible. Thanks to the support of the Sisters of Saint Joseph, grants and awards from charitable organizations, and the financial support of alumni and friends of Nazareth Elementary, we are able to provide tuition assistance to many of our families.

In order to maintain affordable tuition costs, families must keep accounts current through timely payments and only request financial aid if absolutely necessary.

All payments go through FACTS; therefore, it is mandatory for each family to have a FACTS account. The process for submitting financial aid requests will also go through FACTS.

FACTS will process the financial aid applications in the strictest of confidence. There is a \$35 processing fee payable to FACTS due at the time of application. You must complete all required forms and submit all required materials in the application. It is important to be accurate, honest, and thorough when completing the application. If it seems you cannot afford to have your child attend due to a substantially limited income, you may be asked to reconsider registering him/her. Please inform the Business Manager, Mrs. Cathy Cerame, if there are any special circumstances that may affect the amount of aid you may or may not receive.

If you have children in other schools that use the FACTS management program, please know that you only have to apply ONE TIME for all children. FACTS will forward your application.

Awards for tuition assistance will be reviewed in the spring. Availability of tuition assistance funds after this time will be very limited. We encourage you to apply early before funds are depleted. No tuition assistance will be considered if you are not enrolled in FACTS or if you have not fully completed a registration packet and financial aid packet.

Heritage Awards & Refer a Family Incentive Program

The Heritage Award of \$250 is available for children and grandchildren of Nazareth Hall and Nazareth Academy alumni. Please indicate your eligibility on the application form.

If you refer a family to Nazareth Elementary and the new family registers and is still in attendance in January, the referring family will receive \$300 off their January tuition. Additional monthly credits of \$300 can be earned based on the number of new families referred. Please see our Refer a Family handout.
