Tuition Assistance – Preschool

Tuition assistance for preschool is available through employers and income tax credits. Families with students in preschool only DO NOT qualify for tuition assistance offered by Nazareth Elementary School.

For more information about paying tuition on a pre-tax basis using a *Dependent Care Reimbursement Account*, contact your employer's benefits or human resources office. Dependent care expenses that are paid on an after-tax basis may qualify for *Federal Income Tax Credits*. Contact a financial advisor or tax professional for more information.

Tuition Assistance – Kindergarten to Grade 6

At Nazareth Elementary School, we are committed to making tuition affordable for as many families as possible. Thanks to the support of the Sisters of Saint Joseph, grants and awards from charitable organizations, and the financial support of alumni and friends of the Nazareth Schools, we are able to provide tuition assistance to many of our families.

Applications are processed in the strictest of confidence by the Nazareth Elementary Financial Aid Committee.

The application for tuition assistance is available on Nazareth's website, www.nazarethschools.org. Paper applications are available in the Business Office. There is a **\$25 processing fee payable to Nazareth Elementary School** due at the time of application.

Awards for tuition assistance will be reviewed in the spring. Availability of tuition assistance funds after this time will be limited. **Please note that ALL application materials must be submitted before a tuition assistance award can be considered.** This includes enrolling in the FACTS Tuition Management Program **AND** applying for assistance through Nazareth Elementary Financial Aid Application.

A small committee at Nazareth Elementary determines tuition assistance awards after careful review of the Nazareth Elementary Financial Aid Application, along with any information about special circumstances provided by families. For more information about tuition assistance, please contact the Business Office: 585-458-3786 x3128.
