Tuition Assistance – Preschool

Tuition assistance for preschool is available through employers and income tax credits. Families with students in preschool only DO NOT qualify for tuition assistance offered by Nazareth Elementary School.

For more information about paying tuition on a pre-tax basis using a *Dependent Care Reimbursement Account*, contact your employer's benefits or human resources office. Dependent care expenses that are paid on an after-tax basis may qualify for *Federal Income Tax Credits*. Contact a financial advisor or tax professional for more information.

Tuition Assistance – Kindergarten to Grade 6

At Nazareth Elementary, we are committed to making tuition affordable for as many families as possible. Thanks to the support of the Sisters of Saint Joseph, grants and awards from charitable organizations, and the financial support of alumni and friends of the Nazareth Schools, we are able to provide tuition assistance to many of our families.

There will be a modest increase of \$100 to tuition for 2019-2020. We hope that you will assist us in maintaining affordable tuition costs by keeping your accounts current through timely payments and only requesting financial aid if absolutely necessary.

As you know, we have moved from in-house invoicing to all payments going through FACTS; therefore, it is mandatory for all to have a FACTS account. Beginning this year, the process for submitting financial aid requests will also go through FACTS.

FACTS will process the financial aid applications in the strictest of confidence. There is a \$35 processing fee payable to FACTS due at the time of application. You must complete all required forms and submit all required materials in the application. It is important to be accurate, honest, and thorough when completing the application. If it seems you cannot afford to have your child attend due to a substantially limited income, you may be asked to reconsider registering him/her. Also, you should inform the Business Manager, Mrs. Cathy Cerame, if there are any special circumstances that may affect the amount of aid you may or may not receive.

If you have children in other schools that use the FACTS management program, please know that you only have to apply ONE TIME for all children. FACTS will forward your applications to other schools, if applicable.

Awards for tuition assistance will be reviewed in the spring. Availability of tuition assistance funds after this time will be limited. We encourage you to apply early before funds are depleted. No tuition assistance will be considered if you are not enrolled in FACTS or if you have not fully completed a registration packet and financial aid packet.
