TUITION ASSISTANCE - KINDERGARTEN through 6TH GRADE

At Nazareth Elementary, we are committed to making tuition affordable for as many families as possible. Thanks to the support of the Sisters of Saint Joseph, grants and awards from charitable organizations, and the financial support of alumni and friends of Nazareth Elementary, we are able to provide tuition assistance to many of our families. Recipients of financial aid are, in return, required to help support our fundraisers which help us keep tuition low.

In order to maintain affordable tuition costs, families must keep accounts current through timely payments and only request financial aid if absolutely necessary.

All payments go through FACTS; therefore, it is mandatory for each family to have a FACTS account. The process for submitting financial aid requests will also go through FACTS.

FACTS will process the financial aid applications in the strictest of confidence. There is a $35 processing fee payable to FACTS due at the time of application. You must complete all required forms and submit all required materials in the application. It is important to be accurate, honest, and thorough when completing the application. If it seems you cannot afford to have your child attend due to a substantially limited income, you may be asked to reconsider registering him/her. Please inform the Business Manager, Mr. Wardell Lewis, if there are any special circumstances that may affect the amount of aid you may or may not receive.

If you have children in other schools that use the FACTS management program, please know that you only have to apply ONE TIME for all children. FACTS will forward your application.

Awards for tuition assistance will be reviewed in the spring. Availability of tuition assistance funds after this time will be very limited. We encourage you to apply early before funds are depleted. No tuition assistance will be considered if your current account is not up to date, if you are not enrolled in FACTS, or if you have not fully completed a registration packet and financial aid packet.

Nazareth is required to show proof of income for all aid awarded. If you do not file taxes; if you do not submit a W-2; if you do not submit your tax return or proof of income, you will not be eligible for financial aid. No exceptions or extensions.

To access the FACTS Financial Aid website, visit www.online.factsmgt.com/signin/3czwg. Please call Wardell Lewis (Business Manager) if you have questions or need additional help: 585-458-3786 x3128.
