Dear Community Member,

We are excited to start planning our annual Bowl-a-Thon Fundraiser, scheduled for April 28, 2022. This event marks our return to our first in-person fundraiser and auction since the start of the COVID-19 pandemic. We are thrilled to gather again with our greater community in celebration and support of our beloved school.

Nazareth Elementary is a private, not-for-profit school dedicated to providing high-quality, values-based education to students in the city of Rochester and the surrounding areas. Our students receive an education that provides the strong foundation necessary for them to be successful in high school, college, and beyond. Our hope is that one day, our students will be entrepreneurs, community leaders, or at the helm of successful businesses such as yours!

Our mission is to make a Nazareth education affordable for as many families as possible. We rely heavily on fundraisers to do this. We're hoping that this Bowl-a-Thon will be our biggest fundraiser of the year. Every dollar we raise benefits every student in our school. It would mean so much to our students and our school if you could support this year's fundraiser, either by becoming a corporate sponsor or by donating a prize for Bowl-a-Thon. Popular items tend to be gift certificates, memberships, and items that can be combined to put in gift baskets. All donations are greatly appreciated, and all sponsors will be recognized in our school newsletter. Any company making a cash donation will be acknowledged on our website.

Please feel free to contact me with any questions about the event or our school and thank you in advance for your consideration of this request!

With best regards,

Felecia Drysdale
