

Memo From: Sr. Margaret Mancuso and Sr. Marlene Pape

Memo To: All Nazareth Elementary Parents and Guardians

Subject: Take Home Covid Test Kits

Date: Thursday, January 13, 2022

Nazareth Elementary just received a shipment of take home rapid antigen test kits from the New York State Department of Health. We will be sending one home with your student on Friday, January 14. Please check your student's backpack for this as soon as they arrive at home.

Unfortunately, the Health Department sent less than the number needed to provide one kit for each student. Because of this, we will be setting aside one kit per family (each kit has two tests). Please be aware that this kit is from a different manufacturer than the one that went home before the holidays, so be sure to double check the directions.

If you have any questions about the use of the kit, please call or email one of our school nurses at 458-3786 x3207 or mpape@nazarethschools.org.
