

Dress Code/Uniform Policy

Students in Kindergarten through Sixth Grade must adhere to the dress code on all school days (with the exception of picture day or special occasions as determined by the school) and must wear the appropriate attire to and from school, this includes socks and shoes. If a student is not able to wear the regulation uniform for any reason, a note of explanation must be written by the parent/guardian.

The purpose of the Nazareth Elementary Dress Code is to promote the value of each child. A dress code complements the mission of the school – to serve all without distinction. It helps to eliminate competition and judgment among students based on economics. As with any uniform – Scouts, sports, etc. – a school uniform instills a sense of pride in the students for their school.

Uniform Exchange Room

This service is available to all parents/guardians to help clothe your child in a gently used uniform, at no cost to you. Stop by the Main Office to see what is available. Please consider donating gently used and laundered uniforms that your child has outgrown in order for us to continue this program.
