

Dress Code/Uniform Policy

Students in Kindergarten through Sixth Grade must adhere to the dress code on all school days (with the exception of picture day or special occasions as determined by the school). They must wear the appropriate attire to and from school, <u>including socks and shoes</u>. If a student is not able to wear the regulation uniform for any reason, a note of explanation must be written by the parent/guardian.

The purpose of the Nazareth Elementary Dress Code is to promote the value of each child. A dress code complements the mission of the school - to serve all without distinction. It helps to eliminate competition and judgment among students based on economics. As with any uniform - Scouts, sports, etc. - a school uniform instills a sense of pride in the students for their school.
